

Honor a teacher with the gift of gratitude!

Reaching Heights invites you to Thank-a-Teacher!

Send a note of thanks with a donation of \$10 or more (which we'll use for grants to teachers). Reaching Heights will send a recognition card with your note to the teacher you're honoring, and let the school's principal know about the recognition.

Personal, meaningful, and affordable, Thank-a-Teacher from Reaching Heights recognizes the difference teachers make in children's lives, while supporting School Team Grants.

Return this form with your donation (payable to Reaching Heights), to:
